Apple Ipod (Touch, Classic, Nano) / Iphone (3G, 3GS, 4G) Travel Home Wall Charger

This Rapid Travel Charger is a compact and lightweight accessory small enough to fit in a briefcase , purse or even your pocket. There is no longer the need to carry around bulky charging units when traveling. Convenient as a secondary charger at home or in the office. Plug the charger into a 110v or 220v wall outlet and your battery will be fully charged within 1 to 2 hours, also powers the phone while you talk. The smart design allows complete use of the second AC outlet. Also Compatible with NEW Apple iPhone 4S
