You can think of [download Arabic music](#) for free. I may suggest you some singers to listen like Tamer Hosni, Fadl Shaker, Nancy Ajram

The main things that characterize Arabic music is the nature of magical eastern beats that touch your soul. Every year Arabic music becomes more and more popular this is because the music industry has been filled of with the common music styles of RAP, POP and R&B. So people are looking for different styles and that was found in Arabic and Turkish songs because of they have different musical instruments that produces completely unique music tones.

Arabic music is divided into three main categories Arabic music, Khaliji music and Rai music. The first style is the normal Arabic music that comes mainly from Egypt, Lebanon and Jordan, Khaliji music is produced from Gulf area including UAE, KSA, Bahrain, Qatar and Yemen and the last style Rai music is coming from Algeria, Tunisia and Morocco.

In 1998 the world listened to the perfect master hit of Amr Diab Habiby Ya Nour El Ain. Amr performed this song in Monaco in front of Monaco prince during World Music Awards festival . He got the award for the best selling Arab artist. The world shocked after this performance and everybody was asking what kind of music is this it's so great dancing beats then these song were released in an international remix album remixed by world top djs and got much selling. In this year this song was not missed in any disco tech party.
