The Harmonious Successes Of Morangos Com Açucar Stay On Popular

The Morangos com Açúcar (Strawberries with sugar) songs are in the ears of everyone in Portugal. It runs on the TVI since 2003, this is the Portuguese novel with superior longevity and success have ever seen. In Portugal is now in its sixth season, and only a few know that this series is also showed in countries such as Syria and Romania.

This production has won several awards over its long years of transmission, has been a springboard for many young actors who climbed up to more ambitious projects after being part of this popular series. It should be noted all the work that has been developed to the level of preparation of new actors.

The promotion and support of the bands is surprising, , at the site of Morangos com Açúcar you can find all of the albums released by bands series, where you can buy merchandise bags, calendars, sunglasses, perfumes, watches, etc..

Finally all that is needed to launch a enthusiasm with a band and achieve high levels of recognition. All the bands that get this kind of support, have here a launch pad without equivalent.

It is scheduled for September 18, 2009 the premiere of the film musicas Morangos Com Açúcar, hopefully to reach the same level of success of the series.

The success of songs Strawberries With sugar

But the [Musicas dos Morangos com Açúcar](#) have been able to win many fans in the Portuguese early stages. In this series we have witnessed the birth of admired bands whose elements also belong to the cast of the novel. Among the most famous names of Morangos com açúcar are the D'ZRT, the 4Taste, FF, Angelico Vieira, and more recently the Just Girls project.

Other projects have been successful in winning external dissemination of its work through this series, such as André Indiana, Mundo Secreto, Mundo Complexo, Os Azeitonas, Pluma, etc. ..

The music success at the moment in Morangos Com Açúcar are the Just Girls.

This is a Portuguese girls band consisting of Ana Maria Velez (Anabela), Diana Monteiro (Carolina), Helga Posser (Pussy) and Kiara Timas (Alice). Their music has been heard from in such a way that the Portuguese have hurry to buy this musics from Morango's phenomenon.

Their album "Play Me" is in 13th place (for the 20th week) of platinum in the best selling, and their DVD has been in 14th place for 41 weeks.

In the final episode of the fifth season of this series, Just the Girls closed with a apoptotic concert, show, performance . Together with Dj Guto and with the bands and Slimmy and Mau gave a big apoptotic show in the courtyard of the Liceu Maria Amália in Lisbon.

This is the illustration of the success of songs Strawberries with Sugar. Take some time and look at their celebrated website. Have fun with [Musicas Morangos](#).
